PARENT INVOLVEMENT

Our schools have a history of musical excellence that has always been supported by the surrounding community. Whether you want to help order and distribute choir outfits, chaperone events, serve on a committee, or make a donation, please share your interest in the Choir Student Survey that you complete with your student.

We also will have a Choir Parent Meeting WEDNESDAY AUGUST 28th @6pm in the Lone Hill Music Room. Please plan on attending.

A NOTE FROM MR. PUGH

As a member of the choir, you belong to one of the school's most important and successful organizations. Not only are you respected in your own community, but throughout California (and beyond) as well. You will be called upon several times this year to represent San Dimas High School and Lone Hill Middle School by singing at public events. We are confident that, as a representative who is proud of his/her school and who wants the school to be proud of him/her, you will do your best to display the highest type of conduct and appearance. Any organization, in order to function well, requires teamwork. To operate as a team, each individual member must be loyal and willing to cooperate; he/she must think of the good of the choir and not just his/her own interests, and he/she must be willing to put forth his/her best effort at all times and work hard to achieve success for the team. We challenge each of you to be this kind of choir member.
